WARRANT FOR TOWN MEETING

Androscoggin, ss.

State of Maine

To Orland H. Fields, Constable of Greene in said County,
GREETINGS:

In the name of the State of Maine, you are hereby requested to notify and warn the inhabitants of said Town of Greene, qualified by law to vote in town affairs to assemble at the Town House in said Town on the 14th day of March, 1927, at ten o'clock in the forenoon to act on the following articles to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To see if the Town will vote to accept the reports of the Town Officers.

Art. 3. To choose all necessary Town Officers for the ensuing year.

Art. 4. To see if the Town will choose one or more Road Commissioners.

Art. 5. To see if the Town will grant and raise such sums of money as may be necessary for the maintenance and support of schools, current expenses and cost of poor, repairs of roads and bridges and defray all other town charges, for the year ensuing, including the snow bills for the past year.

Art. 6. To see what sum of money the Town will grant and raise to pay for High School tuition for the ensuing year.

Art. 7. To see if the Town will vote yes or no on the question of appropriating and raising money necessary to entitle the town to State Aid as provided in Section 19, of Chapter 25, of the Public Laws of 1916.

Art. 8. To see if the Town will appropriate the sum of \$533.00 for the improvement of the section of State Aid road as outlined in the report of the State Highway Commission, in addition to the amount regularly raised for the care of ways, highways and bridges; the above amount being the maximum which the town is allowed to raise under the provisions of Section 18, Chapter 25 of the Public Laws of 1916.

Art. 9. To see what sum of money the Town will grant and raise to pay on debt and interest for the ensuing year.

Art. 10. To see what sum of money the Town will grant and raise for Memorial Day for the ensuing year.

Art. 11. To see what sum of money the Town will grant and raise for the salary of the Superintendent of Schools for the ensuing year.

Art. 12. To see what sum of money the Town will grant and raise for a Grammar School graduation.

Art. 13. To see if the Town will vote to authorize the Treasurer to make a temporary loan.

Art. 14. To see if the Town will vote to raise money and what sum for the maintenance of State and State Aid highways within the limits of the town under the provisions of Sections 9 and 18 of Chapter 130 of the Public Laws of 1913.

Art. 15. To see what sum of money the Town will grant and raise for repairs of Schoolhouses.

Art. 16. To see what sum of money the Town will grant and raise for text books and supplies.

Art. 17. To see what sum of money the Town will grant and raise to aid in controlling the White Pine Blister Rust in Greene.

Art. 18. To see what sum of money the Town will vote to pay a man, and a man and team per day for labor on the road; also compensation for all Town Officials.

Art. 19. To see if the Town will vote to grant and raise the sum of \$50.00 to wire and equip the Town House with electric lights.

Art. 20. To see what sum of money the Town will grant and raise for painting Town House.

Art. 21. To see what sum of money the Town will vote to raise for the remodelling of school houses.

Art. 22. To see what sum of money the Town will vote to raise for flags for the schools.

Art. 23. To see if the Town will vote to continue the Hill School for the coming year.

Art. 24. To see if the Town will raise the sum of \$60.00 to buy and fence a play ground for Morse School.

Art. 25. To see if the Town will accept Emma Marrow Trust fund of \$100.00 for the care of the Roscoe Shaw lot in Greenwood Cemetery.

Art. 26. To see if the Town will vote to raise the sum of \$200.00 to fill and gravel bad places from State Aid Road near Webster line to and by Ray's Corner.

Art. 27. To see if the Town will grant and raise the sum of \$150.00 to blow the ledge and clear the ditch on the hill east of J. D. Lane's residence.

Art. 28. To see what sum of money the Town will vote to grant and raise to be expended and used for advertising the resources, advantages and attractions of the State of Maine.

Art. 7. To see if the Town will vote yes or no on the question of appropriating and raising money necessary to entitle the town to State Aid as provided in Section 19, of Chapter 25, of the Public Laws of 1916.

Art. 8. To see if the Town will appropriate the sum of \$533.00 for the improvement of the section of State Aid road as outlined in the report of the State Highway Commission, in addition to the amount regularly raised for the care of ways, highways and bridges; the above amount being the maximum which the town is allowed to raise under the provisions of Section 18, Chapter 25 of the Public Laws of 1916.

Art. 9. To see what sum of money the Town will grant and raise to pay on debt and interest for the ensuing year.

Art. 10. To see what sum of money the Town will grant and raise for Memorial Day for the ensuing year.

Art. 11. To see what sum of money the Town will grant and raise for the salary of the Superintendent of Schools for the ensuing year.

Art. 12. To see what sum of money the Town will grant and raise for a Grammar School graduation.

Art. 13. To see if the Town will vote to authorize the Treasurer to make a temporary loan.

Art. 14. To see if the Town will vote to raise money and what sum for the maintenance of State and State Aid highways within the limits of the town under the provisions of Sections 9 and 18 of Chapter 130 of the Public Laws of 1913.

Art. 15. To see what sum of money the Town will grant and raise for repairs of Schoolhouses.

Art. 16. To see what sum of money the Town will grant and raise for text books and supplies.

Art. 17. To see what sum of money the Town will grant and raise to aid in controlling the White Pine Blister Rust in Greene.

Art. 18. To see what sum of money the Town will vote to pay a man, and a man and team per day for labor on the road; also compensation for all Town Officials.

Art. 19. To see if the Town will vote to grant and raise the sum of \$50.00 to wire and equip the Town House with electric lights.

Art. 20. To see what sum of money the Town will grant and raise for painting Town House.

Art. 21. To see what sum of money the Town will vote to raise for the remodelling of school houses.

Art. 22. To see what sum of money the Town will vote to raise for flags for the schools.

Art. 23. To see if the Town will vote to continue the Hill School for the coming year.

Art. 24. To see if the Town will raise the sum of \$60.00 to buy and fence a play ground for Morse School.

Art. 25. To see if the Town will accept Emma Marrow Trust fund of \$100.00 for the care of the Roscoe Shaw lot in Greenwood Cemetery.

Art. 26. To see if the Town will vote to raise the sum of \$200.00 to fill and gravel bad places from State Aid Road near Webster line to and by Ray's Corner.

Art. 27. To see if the Town will grant and raise the sum of \$150.00 to blow the ledge and clear the ditch on the hill east of J. D. Lane's residence.

Art. 28. To see what sum of money the Town will vote to grant and raise to be expended and used for advertising the resources, advantages and attractions of the State of Maine.

Art. 29. To see if the Town will vote to continue through 1927 the vote taken at the last Town meeting, That is,—that the Road Commissioner use \$200.00 to gravel the old road, so called, between Viola Beals' residence and L. B. Greene's, same to be graveled after the residents interested have stone based the portion to be graveled.

Art. 30. To see if the Town will grant and raise the sum of \$337.81 to pay for the plank and steel bridge bought of the J. A. Greenleaf Co.

Art. 31. To see if the Town will vote to grant and raise the sum of \$100.00 for the maintenance of street lights for the ensuing year.

Art. 32. To see if the Town will vote to authorize the selectmen to install one more street light in Greene Village near the residence of Ralph Greenwood.

Art. 33. To see if the Town will accept the list of Jurors as prepared by the Selectmen, Clerk, and Treasurer.

The Selectmen give notice that they will be in session for the purpose of revising the voting list at the Town House at nine o'clock in the forenoon of the day of said meeting.

Given under our hands the 21st day of February,
A. D. 1927.

REMARKS

At this time of closing the accounts of the Town for the year 1926 we will first call your attention to the completed development of Central Maine Power Company in the Androscoggin Valley.

The water has been raised by the new fifty foot dam at Gulf Island and quite a lot of farming land in Greene is under water, which will make necessary a complete

revision of the valuation of the said Company the coming year.

We have a new road completed from the Cummings road to the River road near Ernest Rose's residence, built entirely by the C. M. P. Co., at a cost to them of over \$7,000.00, any part of which they will guarantee as to culvert capacity and durability of fills.

The C. M. P. Co. has also raised Turner Centre Bridge ten feet and built up the abutments and piers with concrete, lengthened the bridge on the Turner end with a new heavy long span and removed the fifty foot pony span which the long span replaces.

They have raised the approach to the Greene end of the bridge by gravel filling so as to make a first class approach to the bridge. The bridge is also newly planked and has new stringers for the entire length.

The bridge job was done by J. A. Greenleaf Co. of Auburn, Me., on a contract.

Now at this time we wish to acquaint you with two contracts which we have entered into with the J. A. Greenleaf Co.

The first is for 10M. 434 feet of bridge plank 3 inch thick and 16 feet long, which they removed from Turner Centre Bridge, those planks had been on the bridge about one year and were nearly as good as new, and we bought them for \$18.00 per M.

The other contract is, we bought the 50 ft. steel span which they removed from the same bridge, to replace the wooden Thompson bridge across the Sabattus stream on the Wales Station road.

This steel bridge is in good shape and we have had it moved to that place ready to be erected. We bought the bridge for \$150.00.

We entered into those contracts without any vote of the Town or any appropriation, but simply trusting that you would see the matter as we did, that is was too good a proposition to lose for the Town and would honor the

action with the necessary appropriation at our next annual Town Meeting on March 14, 1927.

On our Third Class Road P. V. Rose built 2,050 ft. of road 1,200 ft. of which had stone base. This road cost \$2,727.49. Mile bridge on this road was made with two 36 in. steel culverts 28 feet long costing \$303.24.

We now have 1.5 miles of Third Class Road of high class construction. P. V. Rose also built 1,250 feet of Special Resolve Road which with the 1,750 ft. built in the previous year makes 3,000 feet of good practical road with all steel culverts built with the \$1,000.00 Special Resolve fund procured for the Town by Hon. F. A. Morse.

On our State Aid Road R. A. Wing built 1,600 feet of road 875 feet of which was stone base. This road was built at a cost of \$1,481.31 and was pronounced O. K. by the State Inspector. This makes us about two and one-fourth miles of State Aid Road.

On our State Aid Maintenance under R. A. Wing the State Aid Road has been machined and dragged several times during the season, and the bushes have been cut the full length and width of the improved section. A new reinforced concrete top 8 inch thick was put on the large culvert east of the C. S. Stetson residence to replace the old plank covering. The maintenance was very satisfactory considering the amount expended.

As this road lengthens it will constantly need more for maintenance and some of it needs gravel resurfacing at the present time.

Our account for the support of Poor is larger this past year than we expected as you will notice from that report.

On our Town roads the bad rains in November caused a large amount of damage especially on the west side of the Town. P. V. Rose expended \$378.46 on November washouts and \$40.05 for gravel and rock for the Special Resolve Road which had to be taken from his

Town appropriation. He now has on hand for next year one steel culvert which cost \$21.60 and \$15.00 worth of plank.

At the close of this year's business there was a balance in the Treasury of \$1,918.13 and we decided to pay some of our indebtedness, and the Treasurer paid the Viola V. Beal schoolhouse note of \$800.00 and interest amounting to \$816.00 leaving in the Treasury \$1,102.13. And bringing our indebtedness down to \$2,000.00. During the past fiscal year we have drawn 801 Town Orders amounting to \$24,260.19.

In the past year we have had some unusual problems to meet but if we have met them in a manner to merit your approval we will feel well paid for the effort.

We once more thank you for your courtesy and support.

Respectfully submitted,

P. A. MOWER,

R. M. HILL,

O. N. ROSE,

Selectmen of Greene.

La Grippe,	2
Mumps,	3
Whooping Cough,	5
Typhoid Fever,	1
Pneumonia,	2

Respectfully submitted,

O. E. HANSCOM, M. D.

Local Health Officer.

REPORT OF SUPERINTENDENT OF SCHOOLS

Turner, Maine, February 16, 1927.

To the Superintending School Committee and Citizens
of the Town of Greene:

I hereby present for your consideration my first annual report of the condition of the school system as I find it in the Town of Greene.

Before taking up in detail the conditions locally I feel that we should first consider the aims of elementary instruction. I can do no better than by quoting a few lines from the frontis of a book written by Chapman and Counts.

“Greeting his Pupils, the Master asked:

What would you learn of Me?

And the reply came:

How shall we care for our bodies?

How shall we rear our children?

How shall we work together?

How shall we live with our fellow men?

How shall we play?

For what end shall we live?.....”

I wish that you would consider these questions for a moment. Do they seem to be of vital interest? Let us now look to our schools for the solution. Thru our instruction should we not try to answer the above questions. This we are trying to do and as yet we are not succeeding or at least we have not mastered the situa-

tion, but we are striving for that perfection and by our endeavors and thru your co-operation we can expect only one result. It is by perserverence and endeavor that men succeed and the same is true of our schools. Grant that we may work together for the benefit of our children.

I feel that the best way of knowing the conditions and the methods employed in our schools is by a personal visit. The teachers are always glad to have visitors and the efficiency of that teacher depends to a large extent upon the attitude of the parent. Should there be any thing that you do not understand, communicate with the teacher in a pleasant way and try to remember that there are usually two sides to every question. Should your child have any peculiarities be not afraid to tell the teacher of them and to ask for her help. On the following page you will find a chart which may be of interest to you.

The conveyance conditions in town are very satisfactory at present. Consolidation which was frowned upon at first by some has proven to be very efficient. To be sure there are certain hardships but the advantages far exceed the disadvantages.

Music instruction this year was under the instruction of Miss Marian Washburn of Augusta. Miss Washburn, a graduate of the Normal institute for music teachers, proved very efficient for the time that she gave us. I hope to continue the music instruction this spring for I feel that music is an important branch of our school system and needs careful attention.

General repairs of a minor nature only were attempted this year. The school houses were cleaned, blackboards slated and many other minor repairs made.

The Health Crusade which has been running for the past few months has created the same popular interest and we expect that more than one school will win a National Health Banner for their endeavors. The cor-

School	Teacher	Home Address	Training	Amount	Experience	Number of Pupils	Grades	Salary
Patten	M. Hobart	Winthrop	Normal	Partial	5 yrs.	21	4	\$20 00
Patten	I. Dunsmoor	Canton Point	Normal	Graduate	1 yr.	35	4	20 00
Morse	Alice Austin	Greene	Normal	Partial	3 yrs.	24	6	19 00
Mountain	Ethel Enman	Augusta	Normal	Graduate	none	20	8	17 00
Hill	F. Twitchell	Turner	Normal	Partial	none	13	5	15 00
Lane	Kenneth Carr	Howland	Normal	Partial	3 yrs.	26	6	24 00

rect habits relating to the laws of health are the aims of this work.

ATTENDANCE

Our schools in this town as well as in the other towns of this union have been disturbed this year by many absences. To be sure sickness and quarantine have caused many of these absences but even so there are many not accounted for in this way. I hesitate in speaking of these other absences yet as superintendent I feel that it is my duty to solicit the co-operation of all parents so that we may have a better attendance in our schools. Each and every tax-payer furnishes his bit to the support of the schools and it seems to me that you should receive your share of the benefits. Would you be willing to pay for five gallons of gasoline and receive only three gallons? Must I say that there are some in each town who are willing to pay for the education of their children and at the same time deprive these children of the benefits. There are usually some disagreeable features whenever force is used and I shall try to avoid this if possible. Let us then do our best to get a regular attendance, to avoid trouble for ourselves and to avoid humiliation for our children.

For the benefit of those who do not know the law allow me to quote parts of Sec. 66.

“Every child between the seventh and fifteenth anniversaries of his birth and every child between the fifteenth and seventeenth anniversaries who can not read at sight and write legibly simple sentences in the English language and every child between the fifteenth and sixteenth anniversaries who has not completed the sixth grade of the elementary school shall attend some public day school during the time such school is in session, and an absence therefrom of one-half day or more shall be deemed a violation of this requirement.

“Provided further that necessary absence may be excused by the superintending school committee or superintendent of schools or teachers acting by the direction of either; All persons having children under their control shall cause them to attend school as provided in this section, and for every neglect of such duty shall be punished by a fine not exceeding twenty-five dollars or shall be imprisoned not exceeding thirty days.”

Below you will find a chart showing the attendance at the several schools in town.

ATTENDANCE CHART

School	1	2	3	4	5	6	7	8	Total

Before closing my report I think that I should say a word about the financial report. In the textbook and supply account you will find a balance of \$163.77. I have bills for nearly \$100.00 that have come in since this report and were too late for this year's account. You will also notice that we have cut down our recommendation on this account \$100.00. On the General Repair account we have another rather large balance. This is accounted for because I was rather hesitant about making certain repairs until I knew the conditions better. We are asking for the same appropriation as last year for I feel that we should do more repair work this coming summer. The Mountain School needs to be shingled and painted and new floors laid in the entries. Our

remodelling account is overdrawn \$73.83. This was necessary because of a ledge that was found directly where the toilets were to be placed. However we have a very creditable addition to the Morse school and I am sure that it is appreciated by the parents and children.

For remodelling this year we have the Mountain school. Whenever work of this nature is done I believe it to be economy for the Town to do a thoro job. Not only should toilet facilities be remedied, this must be done according to State Law, but the lighting should be changed so that the light should come from the rear and left of the pupils. This arrangement gives more black-board surface for the use of the pupils and causes less eye strain. Again it is cheaper to do this work when other work is being done on the building.

In closing my report I wish to take the opportunity to express my gratitude to the committee and others with whom I have come into contact for the kindness and consideration shown me.

Respectfully submitted,

I. M. HODGES,
Superintendent of Schools.
